

## Purpose & Priorities

WBS is a place where the living, active Word of God is spoken, taught, shared and lived out with authentic love and vibrant illumination so that lives are changed from death to life, from darkness to light, from apathy to vitality and more are added to the kingdom of God, all for His glorious name.

We believe that the components of our program are all integral parts as we gather together for...

- **Fellowship Café** - the first 15-20 minutes each week, including coffee/tea and light snacks  
*"What good fellowship we once enjoyed as we walked together to the house of God." Psalm 55:14*
- **Worship** - an important time for quieting our hearts and minds before study and hearing announcements  
*"For God is Spirit, so those who worship him must worship in spirit and in truth." John 4:24*
- **Small Groups** - time in small groups allows for personal discussion of the material, along with accountability and support as we seek the truth of God's Word  
*"Don't stop meeting together with other believers... Instead, encourage each other..." Hebrews 10:25*
- **Community Service** - we serve our community a minimum of one week each year  
*"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me" Matt 25:40*

Together we will trace a theme throughout the Bible and learn the flow of its storyline and its most important truths. At the end of the study, you will be prepared for a lifetime of filling in the details as you continue to study God's Word.

### No Other Gods

by Kelly Minter

### We Saved You A Seat

We all want authentic relationships, but often times, we allow comparison, envy, and entitlement to stop us from coming to the table of friendship. **Grow Out will have 6 to a group with accountability partners throughout the year, including 1 WBS leader.**
