Purpose & Priorities

.....

WBS is a place where the living, active Word of God is spoken, taught, shared and lived out with authentic love and vibrant illumination so that lives are changed from death to life, from darkness to light, from apathy to vitality and more are added to the kingdom of God, all for His glorious name.

We believe that the components of Women's Bible Study are all essential as we gather together for...

- **Connection Time**- The first 10-15 minutes each week is offered for coffee/tea and connecting with others. Some weeks will include a time of worship and encouragement.
- **Group Time** - Time in smaller groups allows for personal discussion of the study, along with accountability and support as we seek the truth of God's Word. Groups are approximately 12-17 women including leaders. Groups remain together throughout the WBS year.
- **Community Service** - We serve our community throughout the WBS year.

Registration

.....

Bible study cost is \$30 or \$50 depending on which study track you choose. Study tracks 1 & 2 are \$30 and Track 3 is \$50. Payment can be made online (credit card) or by paying in person on a Bible study day (cash or check payable to Christ Community Church). Please contact Diane Moyer (dmoyer@visitccc.com) if you would like to make arrangement to pay on another day.

WBS Kidz

.....

WBS Kidz is an integrated part of our Women's Ministry offered on Thursday mornings. We provide a biblically based morning of fun, friendship and love for infants through Kindergarten. A Homeschool Team is offered for kids in grades 1st-5th.

This is a place of belonging as our volunteers are committed to their classes for the entire year and truly build meaningful relationships with both kids and moms. We are blessed to have such an amazing team!

- A minimum of **\$10** per child is required to secure your spot. This fee is non-refundable and will be counted towards the overall cost of \$25 per child.

We encourage you to register as soon as possible so that our team can prepare a space for you and your child(ren). Registration is complete and a place is reserved once payment is received.

We do not want finances to be a barrier so please contact Diane Moyer (dmoyer@visitccc.com) for scholarship information.

Track 1 (Cost ~ \$30) Offered on campus both Wednesday & Thursday & virtually on Zoom (Wednesday only)**Gospel on the Ground - The Grit & Glory of the Early Church in Acts by Kristi McLelland***(14 weeks ~ Book study guide, weekly at home study, alternating weeks of videos & group discussions)*

Join Kristi McLelland as she teaches how Jesus' message of hope and reconciliation spread from Jerusalem to the far corners of the earth. This study follows the early years of the church as told in the New Testament book of Acts. You'll learn that God's kingdom is always on the move, and you'll come to understand what your part is in God's redemptive story.

Please note that this study starts on January 15th for Wednesday WBS and January 16th for Thursday WBS.

Track 2 (Cost \$30) Offered on campus only both Wednesday & Thursday.**Life Under the Sun by Hannah Anderson (8 weeks ~ Book study guide, weekly at home study & group discussions)**

Consider the wisdom of Ecclesiastes as you search for balance in such a disorienting world. Learn to name your concerns and disappointments, and see that this Old Testament book is more than a book of good advice. This study will help you ask the questions that Jesus will eventually answer, as He is the hope for life under the sun.

The Ruthless Elimination of Hurry: How to Stay Emotionally Healthy and Spiritually Alive in the Chaos of the Modern World by John Mark Comer*(5 weeks ~book, weekly at home questions, group discussions, short videos)*

John Mark Comer addresses one of the greatest threats to our spiritual lives: hurry. Instead of allowing outside influences to completely control your schedules, consider how Jesus offers you a new rhythm, overflowing with grace, peace, and a slower, simpler pace of life.

Please note that this study starts on January 22nd for Wednesday WBS and January 23rd for Thursday WBS.

Track 3 (Cost \$50) ~ Finding Your Way Bible Study by Kim Burch (September 2024-April 2025~ Book study guide, Bible & group discussions)

To allow for new people, please don't sign up for this study if you have previously taken it. Offered on campus only. Please note that this study began in September and continues to build upon each lesson. Please contact Diane Moyer for more information about joining mid year.

In Finding Your Way, you'll spend the year building a framework for understanding the God's Word. As you trace a key theme through the Bible, you will grasp the flow of its storyline. Gathering pieces of the puzzle, you'll begin in the first chapter of the Bible and end in the last chapter, stopping at fifty of the most essential passages along the way. You will create a visual tool by filling in a timeline as you study, examining each piece of the puzzle as you put it in place. And when you have completed Finding Your Way you'll have the big picture - the lid to the puzzle box - and will be prepared for a lifetime of filling in the details as you continue to study the Bible on your own.
