

GROUP COVENANT

As a Group Member I am willing to commit to...

- Attend faithfully.
- Keep confidential anything shared in my group.
- Give a good effort to complete my lesson.
- Pray for those in my group.

Great members make a great group!

Encourage your group by supporting these guidelines:

- Pursue God. One person who is passionate about God can inspire an entire group.
- Pray along the way. When you drive to study, pray for each group member.
- Contact your leader if you are unable to attend.
- Be considerate of others. If you qualify as a,“big talker”, try counting to 10 before sharing your answer.
- Help keep the discussion balanced. If you tend to be more quiet, push yourself to jump into the discussion. The others in your group want to get to know you.
- Avoid comments that may be perceived as negative about different churches or denominations. Remember, your group members may come from a variety of backgrounds. Help everyone feel included. Develop a soft heart and a thick skin and be careful not to be too easily offended. Give others the benefit of the doubt.
- Take initiative and look for ways to care for others in your group, even your leaders.
- Expect God to show you areas of your life which need pruning. Your group will provide the encouragement and accountability to help in your spiritual growth.
